# Hall of Fame Gala

*Thursday, March 7, 2024*

Evangeline Downs Event Center | Opelousas, LA

Cocktails: 5:30 pm | Dinner: 6:00 pm

Join us for the Hall of Fame Gala as we celebrate over 65 years of care provided by Opelousas General Health System.

The Gala provides a forum for us to recognize the work of exemplary individuals whose longstanding contributions have had a lasting impact on the health system, the community, and the patients we serve. Those successes would not have been possible without the care, support, and commitment of people who gave selflessly to our patients and the community.

All proceeds support the initiatives of the OGHS Foundation to further our mission to support OGHS through stewardship, relationships, and philanthropy. We bridge the gaps that frequently exist in rural facilities when providing:

- Facility improvements and expansions
- Equipment and technology upgrades
- Health fairs, information and education
- Breast screening services for under and uninsured women
- Scholarships for students pursuing a career in healthcare

We appreciate your sponsorship and support in providing remarkable care for our community.

Cindy Torian  
Director  
OGHS Foundation
